

staying strong:

Is Your Business Struggling?

We're here to help.

We're here for you in what's probably the most challenging time your business has ever encountered. Payrolls, layoffs, unemployment insurance, loans and grant programs from the federal, state and local governments. If you've ever wondered WHY a Chamber of Commerce exists in our community, THIS IS WHY!

If you need help navigating the issues and options facing you in the days ahead, visit the Chamber's website at frederickchamber.org to see all of the resources we have for you, or call us at (301) 662-4164.

In the worst of times, the Frederick County private, public and nonprofit sectors all combine to do our best, and the Chamber represents them all!
